School App
In the next 2 weeks the school will be embarking on a new means of communication to parents by launching an app for phones. We will attach a flyer with instructions when it is set up. It allows us to list upcoming events and give alerts to what is happening in our school. Parents can also use the eforms section in order to explain absences or notify the school of change of details. We hope you will embrace this method of communication to keep in touch with school news and events.

Thank you to the people who have returned their uniform order forms. We have placed our order and will contact you when the uniforms arrive.
